Quiet zone for students and staff

\*\* Temporary classroom till December 2019

### Safety instructions

If the alarm goes off, leave the building via the nearest emergency exit. On the upper floors, the stairwells are the escape routes that allow you to escape directly outside on the ground floor. Follow the instructions of the Emergency Response team.

Go to the meeting place. The assembly point is near the Ocean building. Do not stay around the convent so that the emergency services have the space to carry out their work.

Assembly point

call the BUAS internal emergency number: +31(0)76 533 2112
