

# Your Road to Breda University of Applied Sciences

## About us

- > Since 1966, formerly known as NHTV Breda
- > International and highly qualified staff
- > Interactive and student-centred teaching style
- > Offering professional and academic bachelor's and master's programmes
- > Some 7,000 students from over 80 countries
- > More than 35,000 graduates, working around the globe for big names in their field of expertise
- > Green campus nearby the safe and pleasant city centre of Breda
- > Only 100 km from both Amsterdam and Brussels

## Why choose us?

- > We are a government-funded institute, which means that **our tuition fees are comparatively favorable**. We offer scholarships for both bachelor's and master's programmes.
- > We are **internationally acknowledged** by among others the UN World Tourism Organization, the World Leisure Organization and the International Facility Management Association. We have an ECA certificate for Quality in Programme Internationalisation.
- > In our **large international network**, we cooperate with universities and companies which are at the top of their field. You can get (work) placement positions at businesses such as Samsung, Disney, Google, KLM and Hilton.
- > We are an **inclusive and small-scale community**. Lecturers know you by name and are easily accessible for consultation or advice.
- > We score **top-rated and No. 1** in national and international rankings. In the Shanghai Global Ranking, BUas ranks first place in Hospitality and Tourism Management in the Netherlands and is among the top 75 worldwide. In the QS World University Rankings, BUas takes place 23 in Hospitality & Leisure Management worldwide.

## What about the costs?

### Tuition fee

BUas is a government-funded institute. Bachelor's students from the EEA (or of Surinamese or Swiss nationality) pay the statutory fee of €2,209 (2022-2023)\*. A higher statutory tuition fee applies to Games and Media because of extra facilities and equipment.

\* As soon as the information is available, you will find the tuition fee amounts and regulations for 2023-2024 at [BUas.nl/en/tuition-fees](https://www.buas.nl/en/tuition-fees)

### Other costs

Furthermore, you should take into account the costs of textbooks, readers, study trips, a laptop and your daily expenses and costs of living\*.

### To give an indication:

- > Introduction: €90 - €135 (in total)
- > Books and materials: €100 - €785 (per year)
- > Laptop: €600 - €750 (in total)
- > Field trips/excursions: €100 - €1,900 (in total)
- > Housing: €400 - €550 (per month)
- > Insurance: €480 (per year)
- > Visa/Residence Permit legal dues: appr. €207
- > VisaCare application fee: appr. €100

\* The amounts differ per study programme
